APPLICATION ASSISTANCE BY SECTION

REAP Request Amount
- List the amount of funds you intend to request to complete your project.

Project Category
- Please mark the category that matches the type of project you are doing. See the FY20 Project Category List provided in the application.
- The FY19 Project Category List is listed in priority level. Number 1 is the higher priority down to number 5 being the lowest priority.

Project Name
- Tell us what your project is. *Examples: resurfacing streets, water line improvements, etc.*

Applicant Information
- Please fill in the blanks with the information about the applicant.
- County-sponsored projects must be submitted to NODA by the county. Remember, provide county address, phone, contacts, email, etc. on the application.
- Name of Applicant for County-sponsored project should list the county name and whom they are sponsoring. *Example: Kay County Sponsoring Kildare Fire Department.*

Project Priority & Justification
- Here you will explain the need of the project and how it specifically benefits your community. Why is the project a high priority to fund? *Examples: economic growth provides job security, enhances quality of life, attract new residents, etc.*

Project Impact
- List the numbers that are impacted by each question.

Consent Order Questions
- Answer these questions as they pertain to the OK Corp. Commission (OCC) and OK Dept. of Environmental Quality (ODEQ).

Strategic Planning
- This section looks at the community’s preparation of your proposed project. The answers to the questions should reflect your current Capital Improvements Plan (CIP).
- A CIP is a comprehensive inventory of all governmentally owned assets. Based on this inventory a 5-year strategic capital improvements plan is developed and all assets placed on GIS mapping. This becomes your road map for needed improvements and applying for funding of your project.
- Contact NODA if you have questions regarding your CIP.

Attachment A
- Applicant Name: Use the same name of applicant from the application information section.
- Project Category: Use the same Project Category from the start of the application.
- Project Name: Use the same Project Name from the start of the application.
- Financial (Leverage)
  - REAP Request Amount – List the amount of REAP funds you need to complete the project. Should be the same as the REAP requested amount at the top of your application.
  - Local Contributions – List any local funds you plan to use on the projects. Can be cash, labor or equipment used.
- **Other Funds** – If there are other funds via grants, loans, etc. list the amount, source and when the funds will be available. Failure to list other funds could result in the de-obligation of your REAP contract.

- Landowner: Construction projects must state the landowner’s name. If the property is leased from a private source, a copy of the lease must be included with the application. The length of the lease needs to clearly exceed the value of the project.

- Project Description: Should be sufficiently detailed to avoid any ambiguity. (If the project is a community building, is it construction, purchase or renovation? What are the dimensions? What type of material is to be used? Are furnishings, equipment or supplies included? If it is water or sewer lines replacement, what size of pipe and how much?) The description must be sufficiently specific so that it can be audited.
